The Prez Sez.....

Friends,

I hope that everyone has been thinking about the fish fry in September. We need to be sure we show a profit from programs like this. By doing this, we will be able to keep our budget balanced and keep from raising dues. The fish fry was originally to show appreciation to our farm members, which it continues to do. It has also become a great promotional tool for the club as well as providing an opportunity for our members to work together. This is also a good way to showcase our youth programs and promote the Friends of the NRA. Donations will be a challenge as financial uncertainty continues in our society, this is why so much attention is being focused early so we can keep the level of success we have had in the past. Lastly we need all our members to step up and take an active role in promoting the raffle, selling tickets, and making sure any guests who attend pay the fees associated with their attending. For those who might not be aware we would appreciate that anyone who is not a member or immediate family member of a member pays \$7.00 per person. If you bring someone who is a perspective member it would be nice if you, as the host picked up his or her fee. This is only a suggestion. Thanks for your cooperation and support in this matter.

See you at the next meeting,

Mike Bailey-
President
