### The Prez Sez.....

I would like to thank all of the members of the Wadsworth Hunt Club for the confidence they reposed in me, as well as the other officers by electing us to serve for the 2007-2008 year. We will continue to move the club in a positive direction by increasing membership and expanding programs within the club and in the community. We can use the help of any member who would like to become involved.

We are continuing the search for a new membership secretary. Adequate training will be provided and computer experience is a must. This is a vital position to our club which consists of collecting dues, keeping the mailing list updated and working with other officers in program development. If you have any questions about this position or would like to be considered please contact one of the club officers.

Mike Bailey  
President
