

The following are Medina County Events in March, 2010. Please feel free to include them in your newsletters or announced at meetings or both. If you have a regular deadline for information inclusion in your newsletter, please let us know that date so we can do our best to accommodate it. Also, if you have a specific contact for information to be sent, please provide us their email address and mailing address so we can update our list. In the future we would like to email events to you on a regular basis. If you do not wish to receive these emails and would like to opt-out, please give us a call or email your request.
