The Prez Sez.....

I would like to thank all those who helped make this years Fish Fry a success. It takes much time and talent to bring this program to fruition and I think everyone in attendance enjoyed themselves greatly. Our Sportsman of the Year for 2008 is Michelle Lance, our Recording Secretary. Her efforts make my job easy and without her talents this club would suffer. This years Presidents Award was given to Bill Liska, our License Agent. As you might have noticed in last months message the need for license agents will no longer be needed by our club. Bill has done an outstanding job of servicing the retailers that our club sponsors as agents. Our grand prize winner for the raffle was Mark Zahela, second prize went to Jim Bozigar, and third prize went to Jim Light.

With the month of October arriving we are sure to see an increase in the use of our range. We ask that everyone please be respectful of one another if you have to wait in line or if someone is waiting on you. Please be safe and remember that all guests must complete a range waiver when using the range.

It is not too early to think about election of officers for 2009. We have had a good group of hard working members serving as officers but changes in leadership are a good way to bring different perspectives to the future of this club. If you can offer some time and talent to this club we can find a place for you.

See you at the next meeting,

Mike Bailey

President
