The Prez Sez.....

Friends,

I would like to thank everyone who helped make this year's fish fry a success. It takes many people to bring things together on a Sunday afternoon. We are blessed to have a great team led by Bud Freeman that handle the many facets of this program and make it run. The club owes these individuals a big thank you.

We sent more than thirty youth to the Lakes and Tails hunting camp this year. I have been informed that things went well and look forward to getting more reports back from the many campers who attended this year.

Remember that fall is always the busiest time for our range. We ask you to be patient as there will more than likely be a wait whenever you show up. Make sure you are in possession of your dues card whenever you are on club grounds. We thank you in advance for your cooperation and understanding.

See you soon,

Mike Bailey-
President
